

Call for Papers - EXTENDED Deadline 30th April

International Conference on Economic and Financial Risks

27-28 June 2024 – Niort

Jointly organised by:

[IRIAF](#) (Institute of Industrial, Insurance and Financial Risk)

[LéP](#) (Laboratoire d'économie de Poitiers)

Bringing together researchers and professionals, this conference aims at providing further insight into risk management by means of an economic and financial approach.

We invite both theoretical and applied studies that may address one of the **following topics** (non-exhaustive list):

Financial Risks - financial crisis and systemic risk; international financial regulation; risk modelling and risk measures; market volatility and behavioural finance.

Bank Risks - banking profitability and prudential supervision; bank loan supply, capital structure and risks; bank governance and incentives mechanisms; contagion and risk management; banking intermediation and asymmetric information.

Health and Ageing - health insurance systems; health market regulation: rationalization, incentives mechanisms and asymmetric information; access to care; retirement, saving and life cycle; life insurance; dependency risk

Risk and Insurance – attitudes towards risk, risk management, insurance pricing and provisions, insurance regulation, predictive modelling, big data and AI.

Major Risks (industrial risks, environmental risks, geopolitical risks) - insurability; major risk management; incentives mechanisms, prevention; reinsurance.

Risk and Innovation - technological risk, firms and R&D strategies, innovation and intellectual property rights, innovation and sustainable development.
